**Does it really work?**

- ✓ Confirmed by TÜV
- ✓ 10-year functional  
guarantee

## Does my guest have shower losses?

- ✔ No, the water jet volume remains the same due to the water-air mixture.

## How do I easily increase my hygiene in showers?

- ✔ The ecoturbino® drain function keeps the shower head clean at all times.
- ✔ No standing water in the shower head means no biofilm formation and therefore legionella prevention.

## How do I get my eco-label?

- ✔ Through our own certification. With built-in ecoturbino® systems, the certification process can be accelerated.

## Which companies are successfully profiting from this worldwide?

Trusted already from hundreds of brands worldwide. Growing more and more.
